

# Claret-Cup

## Ingredients

1 bottle of claret, 1 bottle of soda-water, about 1/2 lb. of pounded ice, 4 tablespoonfuls of powdered sugar, 1/4 teaspoonful of grated nutmeg, 1 liqueur-glass of Maraschino, a sprig of green borage.

## Method

Put all the ingredients into a silver cup, regulating the proportion of ice by the state of the weather: if very warm, a larger quantity would be necessary. Hand the cup round with a clean napkin passed through one of the handles, that the edge of the cup may be wiped after each guest has partaken of the contents thereof.
